

THEFT SENSOR ALARMS

INDIA'S THEFT CRISIS

THE SITUATION MIRRORS PAST ECONOMIC BUBBLES, SUGGESTING A NEED FOR PROACTIVE MEASURES AS INDIA NAVIGATES ITS POPULATION GROWTH AND POTENTIAL FUTURE CHALLENGES.

WE'RE 150 CR ALREADY WITH :

- 1) INCREASING POPULATION (GROWTH RATE IS ALSO INCREASING)
- 2) INCREASING UNEMPLOYMENT
- 3) INCREASING INTOXICANT CONSUMPTION
- 4) OVERBURDENED ANTI-CRIME STAFF
- 5) CORRUPTION

ROBBERIES ARE BOUND TO INCREASE MULTIFOLD IN THE NEAR FUTURE.

ROBBERY STATISTICS

- In 2021, A TOTAL OF 1.49 MILLION INDIAN PENAL CODE (IPC) CRIMES WERE REPORTED, INCLUDING 1.17 MILLION PROPERTY CRIMES .
- THE RATE OF PROPERTY CRIMES PER LAKH POPULATION INCREASED FROM 473.6 IN 2020 TO 844.5 IN 2021 .
- CHALLENGES IN EXISTING SYSTEMS
- ONLY 64.9% OF IPC CRIMES WERE INVESTIGATED AND 72.3% WERE CHARGE-SHEETED IN 2021, INDICATING SIGNIFICANT ROOM FOR IMPROVEMENT IN DETECTION AND PROSECUTION .
- IN 2023, THE RAILWAY PROTECTION FORCE (RPF) MANAGED TO RECOVER STOLEN PROPERTY WORTH ₹1.38 CRORE OVER AN EIGHT-MONTH PERIOD, INDICATING ONGOING EFFORTS TO RETRIEVE STOLEN ITEMS
- THE WORLD GOLD COUNCIL SUGGESTS THAT INDIAN HOUSEHOLDS POSSESS APPROXIMATELY 25,000 TONNES OF GOLD, WHICH REPRESENTS ABOUT 40% OF INDIA'S GDP
- FUNNY ACKNOWLEDGEMENT, THE ROBBERY STATS WERE NOT AVAILABLE ONLINE, JUST LIKE INDIA DOES NOT HAVE SUFFICIENT JAILS TO LODGE IN MORE CRIMINALS AND WE EXPECT THE GOVERNMENT TO TAKE CARE OF IT, HENCE WE CHOOSE NOT TO TALK ABOUT THINGS WE CAN'T DO ANYTHING ABOUT. SHH.

OPPORTUNITY

- VOLDEMORT BRANDS FOCUS ON BROADER AUTOMATION SOLUTIONS, INDICATING A GAP IN THE MARKET FOR SPECIALIZED SECURITY SERVICES.

OPPORTUNITIES DIE FAST. ACT NOW.

SINCE THE GOODS WE'RE TALKING ABOUT ARE **EXPENSIVE MONETARILY OR EXCLUSIVE** OR BOTH, WE HAVE **NO BRAND IN THE MARKET**, OLIGOPOLY, THAT PROVIDES SPECIALIZATION IN SECURITY, HERE KICKS IN E-TAALA. WE DO HAVE OTHER BRANDS SUCH AS VOLDEMORT, BUT THEY DO NOT SPECIALIZE IN SECURITY, THEY DEAL WITH ALL SORTS OF AUTOMATION SUCH AS HOME AIR PURIFIERS AS WELL.

PROJECTED SALES

HOLD TIGHT.

- SINCE THE PRECISE THEFT RATES ARE NOT AVAILABLE, IT WAS DIFFICULT TO MAKE A PROJECTED SALES SLIDE. BUT GUESS WHAT, OUR MARKET IS NOT HOUSES THAT HAVE ALREADY BEEN ROBBED, OUR TARGET ACCSSESIBLE MARKET (TAM) IS **ALL THE PREMISES WHO FEAR BEING ROBBED.**

WHY?

- OUR TARGET MARKET IS ANY PROPERTY THAT ALREADY HAS CCTV'S INSTALLED IN THEM, ANY HOUSE, ANY OFFICE, ANY FACTORY, ANY PREMISES IN GENERAL.

WHY NOT?

- IN THIS OLIGOPOLY BASED SECURITY MARKET, MOST OF THE COMPETITORS HAVE CCTVS. GUESS WHAT, DADDY DOESNT WANT A CCTV INSIDE HIS HOME BECAUSE DADDY LIKES TO HUMP, WHEREVER, WHENEVER,

WHAT'S MY PRODUCT?

SENSORS + SIRENS

- WE'LL BE PROVIDING SENSORS OF VARIOUS KINDS (CONTACT, MOTION ETC) WHICH WILL BE INSTALLED IN THE PREMISES ACCOMPANIED BY A SIREN FOR REASOPNS VERY OBVIOUS.

APPLICATION

- AN E-TAALA APPLICATION FROM WHICH ALL THE SENSORS CAN BE CONTROLLED. AND THE PREVIOUSLY INSTALLED CCTV CAN ALSO BE INTEGRATED INTO THIS APPLICATION FOR CONVENIENCE. THE APPLICATION WILL BE VERY USER-FRIENDLY SINCE A LOT OF OLD-AGED PEOPLE WOULD BE OUR TAM.
- EVERYTIME ANY SENSOR DETECTS SOME UNUSUAL ACTIVITY, YOU'LL BE NOTIFIED.

**“ WE WALK 10 STEPS AWAY FROM THE THINGS WE
FEAR THAN A SINGLE STEP TOWARDS THE THING
WE LOVE ”**
